

9-1-1 Rural Addressing

Due to the Coronavirus Pandemic our office will not be open to the public face to face, however we will have Address forms on the table by our door on the 3rd floor at the court house or you can get on the West Central Texas Council of Governments Web Site and download the form. Once you have filled the form out and gathered the information requested on the form, you can slide them in the mail slot in the door or e-mail those to susie.moore@browncountytexas.org if you should have a question you can reach me at 325-643-1985 or by e-mail. Until further notice this office will be closed on Friday's.

Sincerely,
