

The City of Blanket Texas

GENERAL ELECTION, MAY 6th, 2023

“The re-authorization of the local sales and use tax in the City of Blanket at the rate of one percent (1%) to continue to provide revenue for maintenance and repair of municipal streets.

An election is needed to re-authorize the tax (to keep the same as current tax) for street maintenance. If no election is held, the City will lose 50% of its revenue from the Texas Comptroller’s monthly sales & use allocation.

The revenue generated by the 1% sales & use tax is used for street repairs and maintenance.
